FOREWORD

“**J**OYS are immortal;
happy days have
souls.” With the
poet we heartily agree, and
for this reason we express
regret that it is time to close
this chapter of our life. Our
school days have been happy
and the memories born of
such happiness are immortal.
We pledge fidelity to you,
dear J. C. H. S., the Alma
Mater of many joyous days.

SAINT THERESE OF LISIEUX

"I will spend my heaven in doing good upon earth."

DEDICATION

THIS is to Saint Therese of Lisieux, the Little Flower of Jesus, that we choose to dedicate this Twentieth Volume of Memories, the memories of the Class of 1945. She is the saint dear to our hearts because we need not dust off ancient manuscripts to read the heroism of her life. She has shown us by her life that it does not require long years to become a saint but only much love. Her way of simplicity and confidence in God were her stepping stones into heaven, which she won after twenty-four years on earth. Fifty years later the world recognized her "little way" as the simplest and surest way into heaven.

Saint Therese of Jesus, the patroness of our school, the Class of 1945 ask you to keep us true to the ideals of these early years.

"O GOD, WHO DIDST INFLAME WITH
THY SPIRIT OF LOVE THE SOUL OF THY
SERVANT, SAINT THERESE OF THE
CHILD JESUS, GRANT THAT WE ALSO
MAY LOVE THEE, AND MAY MAKE
THEE GREATLY LOVED."

FATHER CAWLEY'S MESSAGE TO THE GRADUATES

UP TO this point in your educational experience, you have been laying foundations merely. From now on you must attend to the superstructure of your life. Thus far you have had the valuable assistance of efficient and self-sacrificing teachers. From here on you must, in a sense, go it alone. Your training has well fitted you for the task. See to it then that you build wisely and well. Build as on a rock, so that, when the storms come, as come they must, and the rains fall, as fall they will, your house will stand firm.

Hold fast to the teachings that you have learned.

There is a God, Who created you. You belong to Him, body and soul. His claims upon you must always come first. Train yourselves always to be attuned to His Holy Will, even in the smallest details.

There is a future life, which will never end. God wants you to spend eternity with Him in Heaven, in the enjoyment of infinite happiness, your reward for a life of faithfulness and devotion on this earth.

You have a soul to save. If you lose your soul, all will be lost, even though you may attain great power and influence and wealth and fame. The only way in which you can save your soul is to keep God's Commandments, to obey His law. In your efforts to do this, you will have the constant assistance of Divine grace, which will come to you, if you seek it, from the Holy Spirit, through the Church, which was established by Jesus Christ to guard the deposit of faith, to teach, to rule and to sanctify.

Many other truths you have learned, but all stem from these, which are fundamental. Hold fast to these, and all will be well.

You wonder why I stress principles which have formed the subject matter of religious instruction for you year after year. Two reasons motivate me. One you know, namely, that these truths are indispensable to your temporal and eternal welfare. The other you do not know, namely, the world, in which you must work out your salvation, most vigorously denies these vital principles, and denies them in such a way as to deceive, if possible, even the elect, and if the elect, then so much the more you, who are about to enter the world with the same admixture of inexperience and self-assurance that have spelled eternal ruin for many youth who have preceded you.

For instance, the world will speak to you day after day about what is called "the new freedom," urging you to break away from all restraint, but it will say nothing about personal responsibility, self-denial and discipline. It will lay great emphasis on the rights you have, but it will make no reference to the duties you must discharge. It will tell you all about liberty, but nothing about the principle of authority, and little about obedience to law. It will tell you that religion is superstition, the opium of the people, that there is no moral law, no such thing as sin.

With such a gospel, Satan, through his agents in the flesh, by means of the radio, the press, the stage and the screen, will seek constantly to ensnare you and to gain possession of your soul. "Be on your guard, therefore; behold, I have told you all things beforehand." (Mark, XIII, 23) "Stand firm and hold the teachings that you have learned." (2 Thess. II, 15) Strive constantly to improve the valuations that guide you and to elevate the pleasures that allure you, so that you may be effective interpreters of the harmony of Divine life, and that one day you may take your soul back to God, Who created it. "Seek first the Kingdom of God and His justice, and all these things shall be given you besides." (Matt. VI, 33)

GOD BLESS YOU

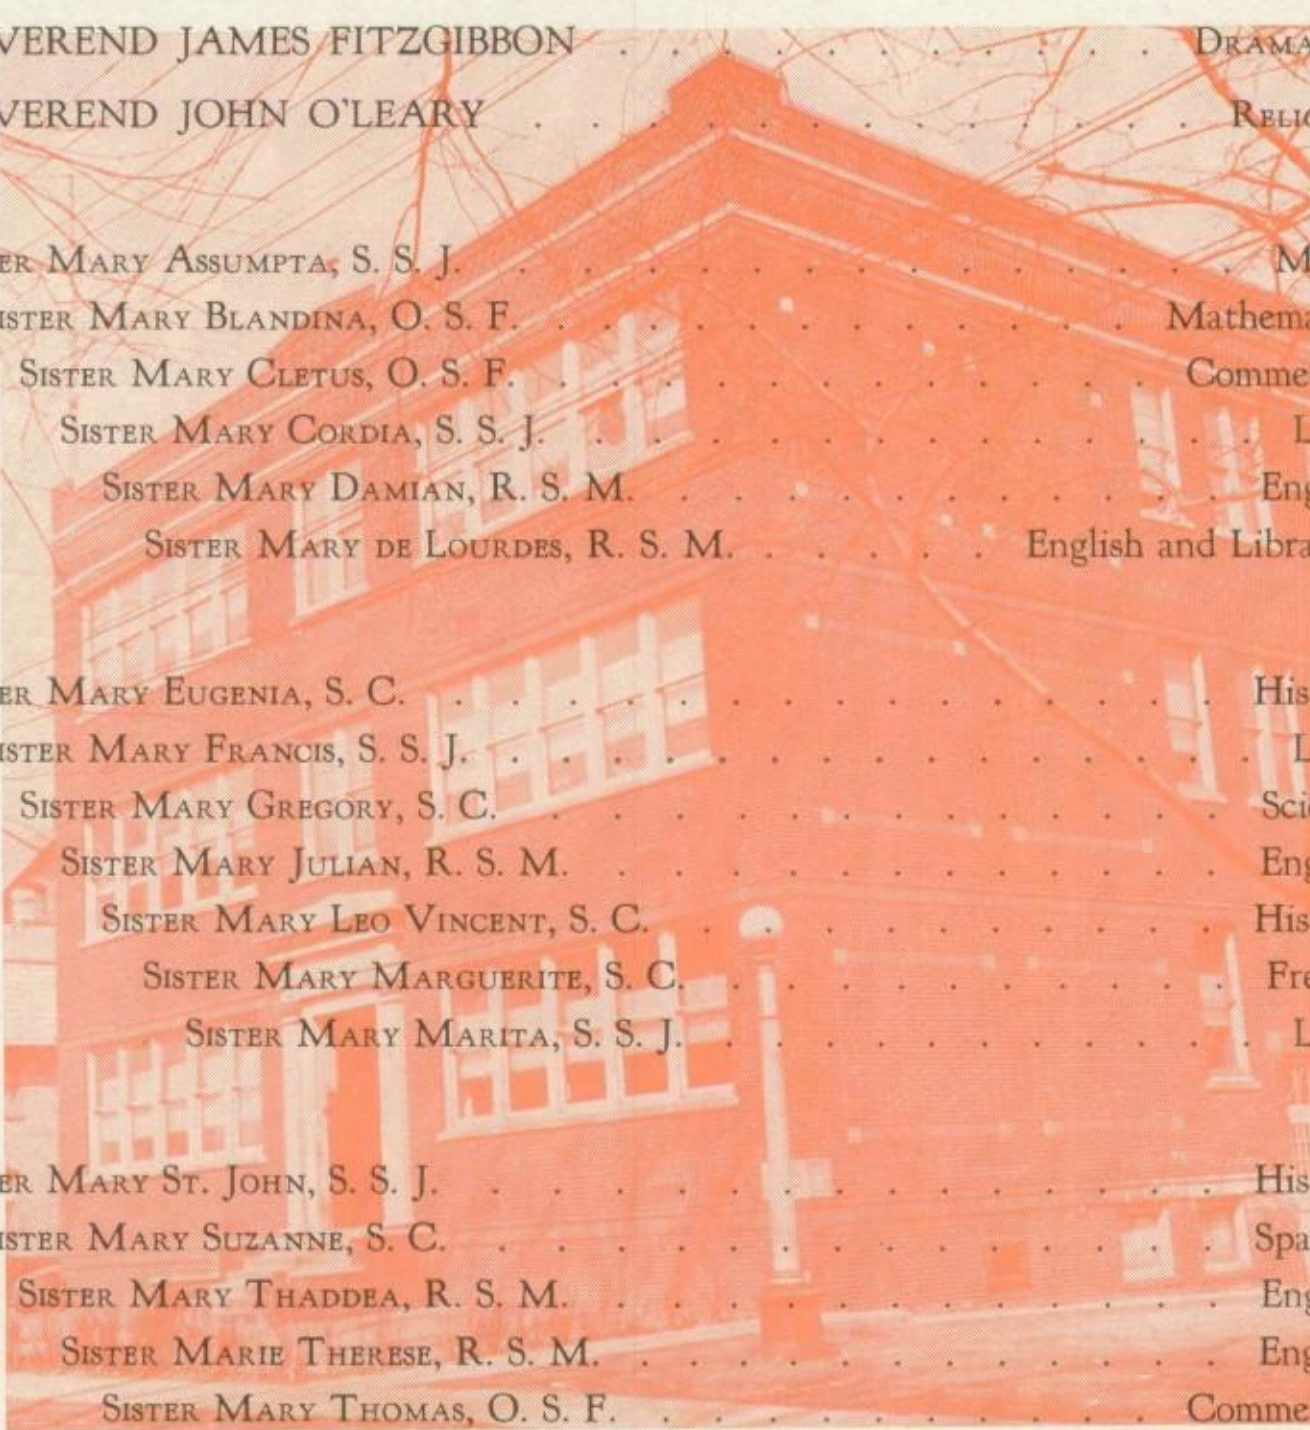

REVEREND JAMES FITZGIBBON
DIRECTOR OF DRAMATICS

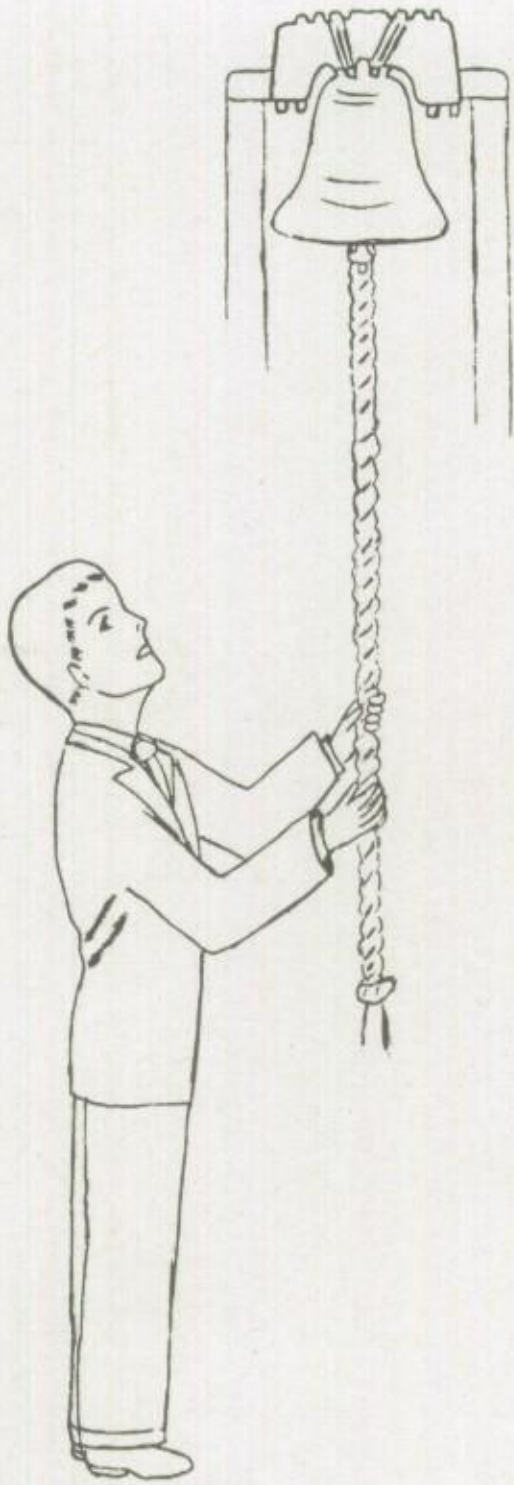

REVEREND JOHN O'LEARY
PROFESSOR OF RELIGION

"If we work upon marble, it will perish;
If we work upon brass, time will efface it;
If we rear temples, they will crumble into dust.
But if we work upon immortal souls;
If we imbue them with principles,
With the just fear of God and love of fellow men,
We engrave on those tablets something that will brighten eternity."

SINCERE GRATITUDE
FOR
DEVOTED TEACHERS

WITH grateful hearts we express appreciation to the faculty members who have taught, counseled and directed us for the past four years. Like the peals of a bell which echo and re-echo and are said ever to set new waves to vibrate, so the influence of your lives, as religious teachers, will echo in our lives and will go out from us to be caught up into the lives of others whom we chance to influence. The good you have done will know no end. It is this Christ-like influence and the priceless heritage of a Catholic education for which we shall be eternally grateful. As we leave our dear Alma Mater, we ask God to bless you for your patience, your kindness and your example.

JOAN ADAMS "Farmer"
St. Benedict Parish

Joan was selected in her senior year as Mission Representative. Her eagerness and ability proved her to be a "go-getter." Her smile and personality go hand in hand. Although she is very hesitant in admitting it, Joan is proud of her appellation "Farmer." Persistence is her chief characteristic, and it will see her through any trouble that comes her way.

GEORGE BANASKA "George"
St. Patrick Parish

George came to J. C. H. S. from Pittsburgh in the middle of his junior year. He has proved to us that their loss was our gain. George's popularity with his own classmates is outstanding because of his manly traits. To wish him luck would be unnecessary, because his future is written in his determination.

Dorothy is kind and thoughtful at all times. If you want to find Dorothy just look where there is work to be done and she's there pitching in. When things go "topsy-turvy" she straightens them out. With all her zeal for work, she has her program of good times. We wish "Dot" an affectionate "God-Speed" in her future life.

ROBERT BOTTER "Bob"
St. Patrick Parish

"Bob" is a quiet, studious person with a pleasing personality. He rarely offends,—the marks of a real gentleman. He possesses a branch of wit that's hard to match. His compositions are certain to offer a treat because in each one he manages a surprise turn. We wager that "Bob" has read everything written about airplanes. We wager too that he will soar high.

ANNA GRACE BOWERS "Anne"
St. John Gualbert Parish

"Anne" is one of the girls who make up the happy group of 105. Her merry disposition and keen sense of humor will be sadly missed at Catholic High School. "Anne's" ambition in life is to become a professional skater. We predict that her quiet, deliberate manner and her genial disposition will bring her success.

His achievements are multiple and thorough, most eminent among them being a good scholastic record, and a rare acting ability. Here in embryo, we feel, is a distinguished career on the stage.

Jim, or more commonly called "Goose," is one of the regular fellows of our class. He is rarely seen without his familiar smile. Jim is a great guy and will always be remembered and liked by all.

Cyrano de Bergerac outlines the qualities of a great man: "Genial, courteous, intellectual, virile, courageous." Such would be an apt description of John. He has a friendly attitude toward the faculty and his fellow classmates. During his four years of attendance he has proved his ability and aptitude for his studies. John will succeed because he has built himself a rich background and formed the habit of hard work.

With all "Bob's" seriousness, he appreciates the part that the lighter vein must play in school life. Electrical engineering is in his plans for the future.

DONALD FLYNN

St. Joseph Parish

"Earl"

"Earl" as he is called by his fellow students, is the ambitious type. He is very seldom in trouble and when it comes to school spirit he is right in there pitching. Although he never took part in any sports, he makes sure to witness them. His favorite saying is "the army will win." He got this saying from football because he is a true army fan.

"Frick" can be described as a little lady with a dynamic personality. Her loyalty to the school is uncanny. Any school activity without "Frick" proves to be very dull. She is a typical All-American school girl. She has numberless friends and would stop at nothing to help them. She takes deep interest in her school work and hopes to be a stenographer.

JAMES GAUS
St. Benedict Parish

The class of '45 proudly claims Jim Gaus and his personality. "Squeaky," as he is better known, is Geistown's pride and joy. Almost every morning he can be seen pulling up at school—a little late in his Ford, the "Belle Marie." Hunting and repairing his Ford are his favorite pastimes. When his days at J. C. H. Our Mother of Sorrow Parish

Dolores was received into the 1945 Senior Class with "three raising cheers." The first three years and the first semester of the fourth were spent at Mt. Aloysius Academy. We admire the fine, cheerful, cooperative way she caught the spirit of J. C. H. S. The class predicts a bright future for Dolores.

FRANCES GOSS "Frances"
St. Patrick Parish

Charming personality and pleasant appearance is the combination which we find in Frances. She is rated as one of the finest xylophone performers in Johnstown. The invitations to appear at recitals does not hinder this ambitious lady's close application to her studies. At her leisure time she engages herself in drawing. Her dimpled smile and musical ability are two of the marks by which we shall remember Frances.

RUTH GRIFFITH "Ruthie"
St. Joseph Parish
Sodality Prefect

Here is a conscientious, loyal supporter of all activities held by Catholic High School. Brown-eyed, blond-haired "Ruthie" is one of the favorites of the student body. Her twinkling eyes and ready smile will keep her alive in our thoughts.

LADISLAUS HANZEL "Whitey"

"Whitey," as he is known to almost everybody, comes from the top of Benshoff Hill. He has filled the important office of Class Treasurer. "Whitey" can get along with anybody, but he is a terror on the gridiron. In this capacity he holds fast to the record set by his brother. "Whitey" just can't be stopped. His quiet, deliberate manner helps him solve the problems of life.

BERNARD HORNICK "Bern"

"Bern" comes to us from St. Joseph's. He is a serious thinker and has a sense of true values for the fitness of things. "Bern" is conscientious about his school work and applies this same earnestness to sports. The class of '45 values his friendship and our best wishes go out with him.

**JOSEPH SCHUSTER****Immaculate Conception Parish****"Joe"**

In this young man, we find a true gentleman. "Joe" possesses a reserve and a personal attractiveness which have made him popular with teachers and students alike. We are glad Uncle Sam returned him to us for the second semester. Our wishes for success and happiness go out to "Joe".

WALTER SCHUTTE**St. Benedict Parish****"Walt"**

"Walt" is one of the most fervent supporters of Geistown and St. Benedict. A pal to everyone whom he meets. His good humor and willingness to support every project is one of his outstanding features. Being a great basketball and baseball enthusiast, he is ever interested in sports. He is a hard worker and will surely be a success in whatever he undertakes.

LAWRENCE SEDLEMEYER
St. Joseph Parish

"Larry"

Although "Larry" is the bashful type of a boy, this does not interfere with his enthusiasm at the football or basketball games. "Larry" seldom breaks forth in speech but when he does say something, he means what he says. His most notable characteristics are his ready smile and his quick sense of humor. If success depends upon a fellow's attitude in school, "Larry" will be a great success.

DONALD SEIBERT

"Don"

The statement "good things come in small packages" can certainly be applied to "Don." He is one of the peppiest members of the senior class. His shortness of stature only serves as an incentive to "perk up" and when "Don" is around, things are usually perking. A care-free, friendly disposition are characteristic of "Don."

When "Betty" was selected for the part of the Blessed Mother in the Christmas Tableaux, the class knew that the honor couldn't have been given to a more deserving student. In four years, "Betty's" name has never been missing from the honor roll. Her cheerful friendliness and her large circle of friends are proof that "Betty" has her ounce of fun each day.

HELEN SESTRICH
St. Rochus Parish

"Helen"

There are very few in our class who can measure up scholastically with Helen. She is characterized by her close application to the duty at hand and works perseveringly until it is accomplished. Besides her outstanding school work she is ever ready to be of help to anyone who asks for it. "Helen's" ambition is to become a Cadet Nurse.

JOHN SHRIFT
St. John Parish—Summerhill

"Jack"

Before John came to us in his senior year, he was attending St. Vincent Prep. It didn't take us long to recognize the true gentleman in John. We envy him his ability to apply himself to the duty of the hour. Although he does not participate in athletics at Catholic High, we hear he is a proficient basketball and football player and an expert catcher in baseball.

JOSEPH SLEZAK "Joe"
St. Francis Parish

"Joe" doesn't take any byways to reach his goal. He sees the job to be done, goes at it and conscientiously sticks to it until it is accomplished. "Joe," with his spontaneous humor, contributes his share to make the cogs of school life run smoothly. These congenial qualities have won him a large number of friends at J. C. H. S.

Her friends know her to be unselfish, sincere and ever ready to adapt herself to the need. With these qualities couldn't we guess that she plans to serve others in the capacity of a nurse.

We will always remember Ann as a lady, an excellent student and a loyal friend of Catholic High.

"Bill" is the quiet type of fellow who is a friend to everyone. He works hard both at study and at play. "Bill's" facile use of the pencil has contributed much of the artistry to our book of Memories. His teachers and classmates can confirm the statement that he never steps out of the role of gentleman.

ALZINE STRAUB "Zenie"
St. Patrick Parish
Class Vice President

A leader in our class is "Zenie." Dancing, ballet and a gift for entertaining are only a few of the things she can do. A program would not be complete without her, and she gives freely of her talents. Her bright eyes are always looking for fun or laughter. With all her accomplishments she still retains her natural, magnetic personality.

He faithfully patronizes McCrory's hot fudge sundaes. "Ed's" secret ambition is to become a doctor. His general capacity to give and take reassures us that he will succeed.

AGNES TOPSCHER "Aggie"
St. Francis Parish

"Aggie" is one of our outstanding students in more ways than one. Although quiet at the right time, she is often found to be the center of the merriest group. Her thoughtfulness and generosity have endeared her to all. She values friendship highly and be truly a "friend in need." Possessing a sense of responsibility, Agnes is needed in every class activity.

MARY ZIKE "Zike"
Sts. Peter & Paul Parish

One of the scholastic leaders among the seniors, and the Vice-President of the Mission Society, Mary, better known as "Zike" has spent a very full year. Her schedule was not too full to support the football games and keep the soldiers posted with the home news. Mary has a smile that lights up her countenance. Behind this pleasant appearance is a character just as agreeable.

DOROTHY ZONIE "Dot"
St. Stephen Parish

Although "Dot" just can't get to school on time she has a grand personality with a ready smile for everyone. She has an abundance of school spirit and is always willing to cooperate when some project is undertaken. "Dot" thoroughly enjoys her skating and dancing, but she is highly opposed to too much work. Her generous, pleasing personality has won her many friends.

DANIEL YEAGER "Dan"
St. Michael Parish

"Dan," a blonde haired, blue-eyed young man, who hails from Brownstown, is one of the most admired boys in the senior class. His quiet, earnest way of doing things has shown his real ability. "Dan" takes part in almost all social events, and you can depend on the quiet brand of cooperation which he will give.

When we reach the vast unknown;
Remember us, Mother, and plead our cause
When we stand to be judged alone.

Tell Jesus you love our souls.

LITTLE FLOWER
MISSION SOCIETY

HOLY NAME SOCIETY

"It chills my blood to hear the Blest Name
Rudely appealed to on each trifling theme.
Maintain your rank, vulgarity despise.
To swear is neither brave, polite or wise.
If you would not swear upon the bed of death,
Reflect! Your Maker now can stop your breath."

The chief aim of the Holy Name Society is to form a habit of clean speech and to cultivate a sincere reverence for the Holy Name of Jesus. With this aim in mind, we Seniors shall join the vast army of Holy Name men in our parishes and with them we shall pledge our deepest reverence for our Lord's Holy Name. O God, grant that we may devote our lives to love and respect the Holy Name of Jesus.

The Holy Name's spiritual campaign this year has been in the hands of the following students:

OF THE BLESSED VIRGIN MARY

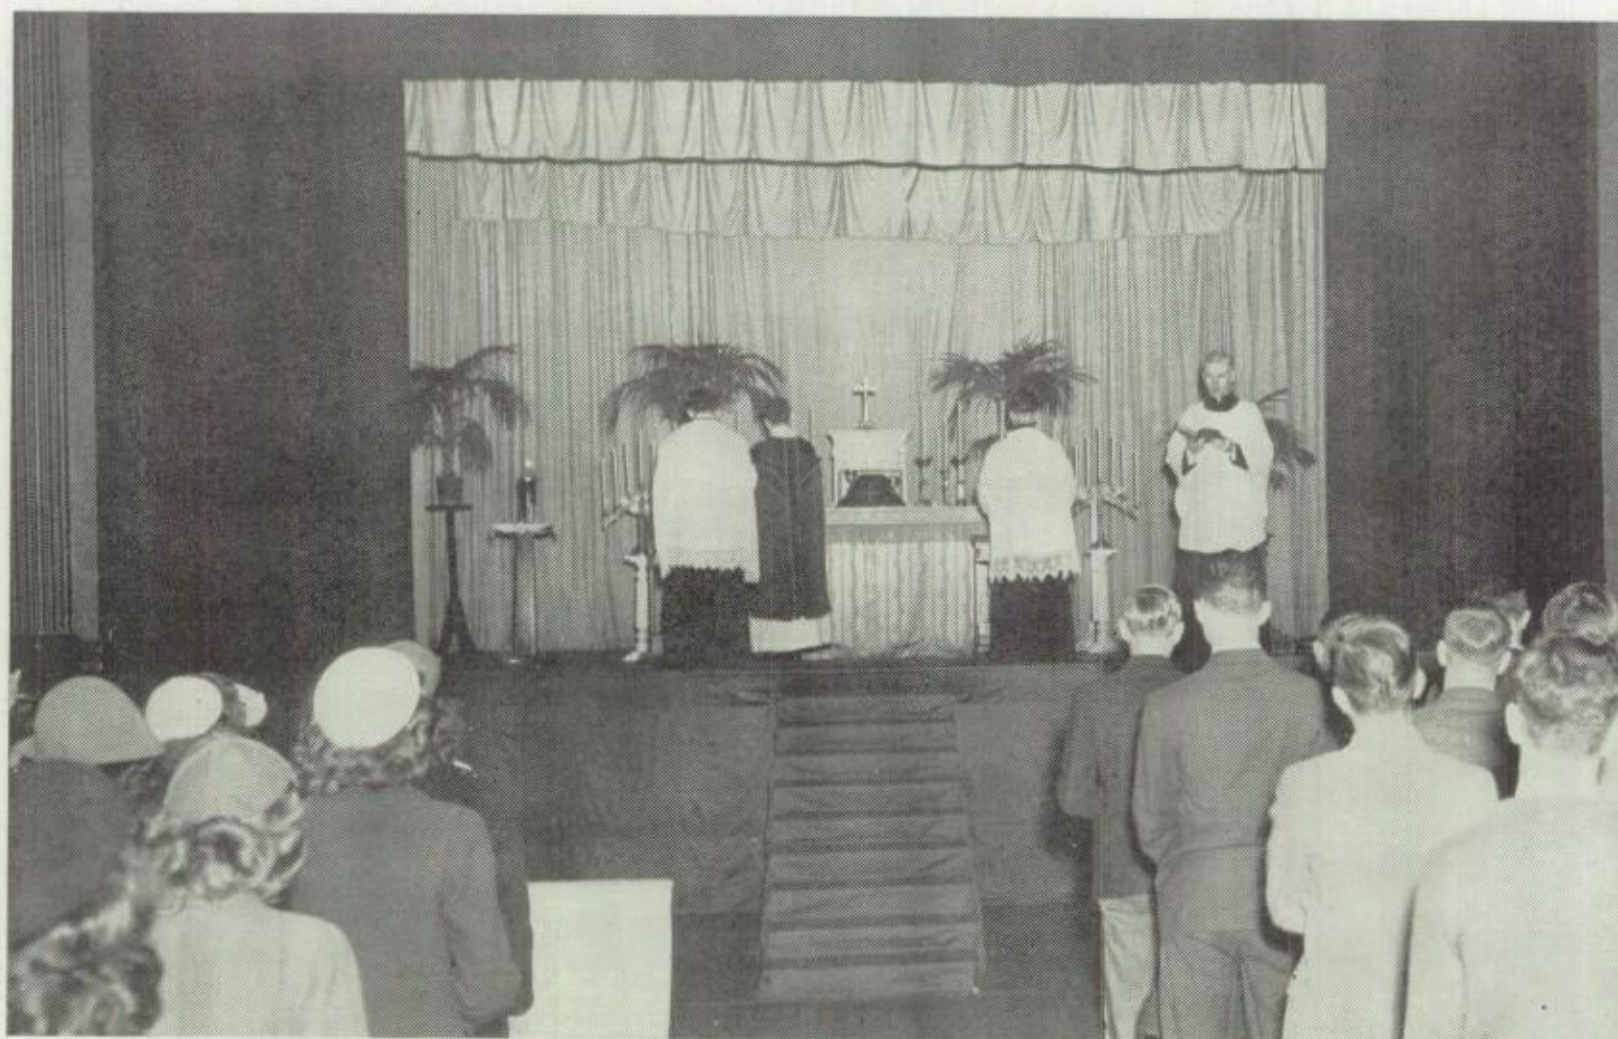

For the sodalists, the most impressive event of the year is the Coronation of our Blessed Lady. It is Mary's Day at Catholic High, for the entire enrollment of girls spare no effort to give Mary the honor due to her. This year the beautiful ceremony took place in the auditorium on May 15. Betty Rose Sellman was elected by the Sodalists to the privilege of crowning the Blessed Virgin Mary.

THE ANNUAL RETREAT

Father Paschal Drew, C. P., conducted the annual retreat during Monday, Tuesday and Wednesday of Holy Week. It was a sight fit for the angels to see almost the entire student body receive Holy Communion during the three days of the retreat. A High Mass on Wednesday, followed by the imparting of the Papal Blessing, brought the retreat to a close. The above picture shows Father Cawley reading the Passion in English, while the retreat priest is reciting it at the Gospel of the Mass. The retreat was a glorious opportunity to store up treasures in heaven.

"Direct, O Lord, we beseech Thee, all our actions by Thy holy inspirations and carry them on by Thy gracious assistance . . ."

THE BAND

It's the band that puts the pep in the pep rallies, the cheer and spirit in the students at the stadium, and the fight in the squad on the field. This is what the forty-five band members did for J. C. H. S. this year. The news of new uniforms did put song in our hearts and stride in our march, but war-time considerations reconciled the members to the disappointment of not having the new uniforms for the last football game. Next year when the band strikes up, the spectators can feast their eyes on a colorful parade. It is then that the band members will doff their hats to the Alumni Members for having put them on parade in the flying colors of Crimson and Gold.

COLLEGE DAZE

SENIOR CLASS PLAY

"College Daze" is a comedy built around a typical college crowd. Harold "Duke" Duquet, a rich young student, is forced to attend Hartdale because of a condition in his uncle's will. Tired of living the life of a play boy, he assumes the role of "Slim" Wiggins, and "Slim" in turn takes "Duke's" place. The play whirls through typical college affairs to the big game, the Tri-County Championship. "Duke" becomes a hero by winning the game and saving "Ma" Mitchell's place.

OPERETTA—HARMONY HALL

General Earnest Work, millionaire manufacturer of musical toys, retired from business to devote his life to music by endowing Harmony Hall, a musical institution. Because the General's only son, Doolittle, is hopelessly unmusical, he is sent abroad under the guidance of McTavish, a Scotch tutor. He adopts Mlle. Rosalie, a prima-donna, as his heir and arranges for her marriage to Brownini, a famous tenor. Professional jealousy intervenes and the two singers break the engagement.

General Work, bitterly disappointed, plots with Mrs. Hammersley Keys to bring the two songsters together by making Brownini jealous. They use Doolittle as the adversary, his real identity unknown. This scheme fails however, because Doolittle Work, disguised under the name of Smith and business manager of the Glee Club, finds his long-lost father and falls in love with Rosalie. The conclusion finds a triple wedding,—Doolittle and Rosalie, Brownini and Maritana, Rosalie's maid and understudy, and General Work finds interest in Mrs. Keys.

During the week of February 19, the Monogram Club held its annual induction of members. This year's new entries totalled twelve. The initiation on February 19, 20, 21 provided entertainment for the student body and a test of good sportsmanship on the part of candidates for membership into the club. The free day on George Washington's birthday gave the new members an opportunity for a rebound after the tough initiation.

VARSITY BASKETBALL TEAM

Catholic High School looks to its 1944-45 basketball record as one of the greatest in the school's history. Eight lettermen of last year returned to battle on this year's team. In the beginning of the season the Crimson Cagers lost two games. Performing in a real championship style, our boys clicked off 9 straight victories, the longest winning streak in the city. After losing to Kiski Prep by one point, our Crimson clad warriors regained their early season stride and won 7 of the 8 remaining games.

Although eliminated in the first round of the P. C. I. A. A. playoffs, the Crimson Cagers still gave us a team of which to be proud. Leading the team and the city for the second straight year was big Bill Pavlick, captain and forward. His individual record of 28 points gave him the district's lead in the highest number of points for one game this season. We salute the Catholic High School Chrimsom Crusher basketekers of 1944-45.
